the Living Clean Workshop

When: June 5th
Time: 10am—till we are done
Where: Life Force Cultural Arts Academy
1715 Kings Highway, Clearwater, 33755

About the Living Clean Workshop: The 2008 World Service Conference approved a project for a book-length piece of recovery literature with the working title *Living Clean.* This book will cover a collection of issues we deal with in recovery including topics that have been prioritized in literature surveys going back to 1999, such as grief, relationships, spirituality, and parenting.
