DEFINITION OF AN ASC

Any Area Service Committee (ASC) is a committee made up of representatives (GSR's) from within a designated area, which meets monthly for the express purpose of serving the specific needs of its members' groups.

The most important service, which an ASC provides, is that of its groups' support. Whenever a group has a specific situation, which it has not been able to handle on its own; it can come to ASC for help. These situations are almost always limitless in scope: however we have learned that we can get much accomplished when we work together.

An ASC performs other functions, which are of help to the groups. It can help groups get started or give aid to floundering groups. It may hold workshops or seminars to train trusted servants. It can look for potential places to keep a stock of literature, which the groups can purchase. The point is that an ASC handles whatever functions are necessary or helpful to its groups.

In order to provide these services, an ASC needs the active participation of its GSR's. A group supports its ASC both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer this support. However, as an area grows, the financial needs of the committee also grow. In order to provide a full line of service, an ASC requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternate courses of financial support are helpful, but the bulk of the responsibility falls on the members of the groups.

The active participation of each group representative is essential for a successful ASC. Each GSR must keep their own group informed and must represent that group's conscience in all committee decisions. GSR's should evaluate each vote in terms of the needs of those they serve and the needs of NA as a whole in the area they serve. In addition to this, a GSR participates in helping to carry out the ASC's specific functions: the attracting of new members, planning and implementation of activities, and the aid given to groups with specific situations and services which require much more effort than a monthly meeting.

In order to coordinate its services, each ASC elects officers yearly. Leadership and the ability to organize give the committee direction; and incentive must come from its officers. Upon election the officers (Chairperson, Vice-Chairperson, Secretary, Alternate Secretary, Treasurer, RCM's, Literature distributor, Alternate Literature distributor, Subcommittee Chairpersons) shall resign as GSR's. Their groups then elect new representatives, thus ensuring all groups equality of representatives.

All GSR's and Subcommittee Chairpersons are members of the policy Subcommittee and encouraged to attend policy Subcommittee meetings.

THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

We keep what we have only with vigilance, and just as freedom for the individual comes from the twelve steps, so freedom for the group springs from our traditions. As long as the ties that bind us together are stronger than those that would tear us apart, all well be well.

- 1) Our common welfare should come first; personal recovery depends on NA unity.
- 2) For our group purpose there is but one ultimate authority- a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3) The only requirement for membership is a desire to stop using.
- 4) Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
- 5) Each group has but one primary purpose - to carry the message to the addict who still suffers.
- 6) An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
- 7) Every N.A. group ought to be fully self-supporting declining outside contributions.
- 8) Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
- 9) N.A. as such ought never be organized, but we may create service boards or committees directly responsible to those they serve.
- 10) Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
- 11) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and film.
- 12) Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

THE TWELVE CONCEPTS OF NA SERVICE

- 1) To fulfill our fellowship's primary purpose, the N.A. groups have joined to create a structure, which develops, coordinates, and maintains services on behalf of N.A. as a whole.
- 2) The final responsibility and authority for N.A. service rest with the N.A. groups.
- 3) The N.A. groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
- 4) Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
- 5) For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
- 6) Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
- 7) All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making process
- 8) Our service structure depends on the integrity and effectiveness of our communications.
- 9) All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making process.
- 10) Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
- 11) N.A. funds are to be used to further our primary purpose, and must be managed responsibly.
- 12) In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.
