Allen C. – GSR Regional Room Report

This month (July) I went to Regional Service and I attended the Saturday workshop and the Sunday Service Conference. I learned a lot and it was an eye-opening experience to know that service can be as exciting as it can be informative. I have seen that the process continues and that you can grow more and more with the higher service structure. I enjoyed the main Service conference and the way that the Consensus Based voting worked. Over all I will enjoy going and being a part of the meeting instead of being on the wings of the meeting, if given the chance with becoming the RCM II. I will however continue to go no matter what because I really enjoyed the Saturday meeting and the ability to be a big part of the process and being allowed to participate in the workshops that were presented. I want to thank the Area for allowing me the ability to go and the ability to continue to go.

In Loving Service,
Allen C.

Sara S. – GSR Regional Room Report

I had the opportunity to attend the Florida regional conference this weekend. It was a tremendous learning experience for me. Friday, I attended the opening welcome meeting, which gave me a chance to see members of region as recovering addicts not just as service members. Saturday was a full day that consisted of Area Service Support, fellowship development and a meeting to discuss any proposals that would be brought to the regional floor. The day ended with a meeting and some fellowship, which I thought was a great way to decompress from a long day of workshops and discussions. Sunday, I attended the RSC meeting and got to watch all of Saturday's preparations and discussions come to life on the regional floor. I was also able to watch consensus-based decision making in action and the regional election process, which is very similar to the Area elections process. Overall the weekend was very informative, and I enjoyed every aspect of it. I look forward to the next time that I am able to attend.

Administrative

We met 8ish. All were in attendance except for Chair of Lit/Newsletter. All issues discussed were presented on Area floor. A special thank you for Brook L, Marie A, and Danette R for auditing our books. Thank you for the opportunity to serve.

Helpline

Good Morning BASCNA,

The Help Line subcommittee met Sunday August 5th at 9:00 am. We received 87 helpline calls between July 10th (07/10/2018) to August 9th (08/09/2018). That is up by 31 calls from last month. We have all our shifts covered however we have individuals covering multiple shifts and could use some help. We welcomed 2 new members to our subcommittee last weekend. Please let your homegroup know that this is a portable commitment (meaning you can be of service wherever you happen to be), and that we have the shortest subcommittee meeting in the area.

We discussed the new regional help line in our last meeting. It does not appear that this would be a good solution for our area as we have a very smooth well-oiled machine running at the moment.

Our next subcommittee meeting will be held a week earlier than normal on Sunday, August 26th at 9:00 a.m. at Terra Nova.

Thank you for allowing us to be of service,

Literature Distributor

Hey everyone,

All is well. As a reminder, please be sure to fill out your order form completely including the group name and name of the person who is picking it up, as well as signing your money order. It makes it easier and faster for us to find you once your order is complete. we do not accept cash so everything needs to be in the form of a check or money order, and please turn your orders in promptly. New medallions are available and can be engraved and customized. Contact us to see the options or go to www.floridarso.org. They are \$20 each and require a minimum of 2-3 weeks to make. Any issues with meeting lists being off center when printed will hopefully be resolved soon with the company we use. Out of order helpline numbers are being taken off the back off the meeting lists and are being replaced with "TBA" to be announced. We will put correct numbers on there as we receive them.

Thank you for allowing us to serve,
Ryan C. and Alice
