Maker: Technology Resource Coordinator Proposal: To add a Technology Alternate Coordinator position to the Florida Regional Fellowship Development team

Intent: To establish an assistant and training role for the Technology Resource Coordinator position so the alternate is better suited to take over the Resource Coordinator position. This would allow the Alternate Resource Coordinator to become adapted to the technology implemented by the FRSC and the demands of Resource Coordinator position.

Spiritual Impact: Will allow the alternate to be fully prepared to acclimate to the Technology Resource Coordinator and be as successful as possible from the start in serving FRSC to the best of their ability.

Financial Impact : \$189 per RSC x 6 = \$1,134.00 per year.

Outcome: passed

04-09-2018 Maker: HRP

Proposal: Clarify elections processes that have caused confusion and conflict recently.

Rationale: The purpose of the Human Resource Panel (HRP) is to assure the RSC that we are honoring the 4 th Concept:

Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.

The trust necessary to confidently delegate authority is founded on the careful selection of trusted servants. Leadership is very important to the welfare of our fellowship. True, our leaders are but trusted servants, not governors; yet we also expect our trusted servants to lead us. If we select them carefully, we can confidently allow them to do so.

The HRP protects confidentiality through the integrity of its members and the use of a separate database accessed only by HRP members. Passwords are changed whenever there is change to the membership. The HRP reviews each candidates Knowledge, Skills, and Abilities so that the RSC can be assured that all candidates have been carefully considered. Recently, there

have been some controversial elections. This proposal will rewrite a portion of the GTFRS that will make the election process clear.

\*\*Unable to insert image\*\*

There is no financial impact.

Clarification of this part of the Guide fosters unity and reinforces the principles in the 4 th Concept. There is no conflict with Traditions, Concepts, or Principles, as the RCMs control the process because they initiate the election process, must second any nominations, and are the only voting members of the RSC. In addition, because the Guide is a mandate from the groups on how we are to conduct business, we are respecting the 2 nd Concept.

Outcome: Going to fellowship development

All proposal must be submitted no later than 15 minutes prior to the Guide Meeting or be tabled until the next RSC Guide Meeting. INTENT: To allow everyone to participate in our CBDM/fellowship development process Helps RSC do business along in a timelier manner.

#### Activities

December 2018

**Activities Report:** 

On November 10<sup>th</sup> activities held our annual Gratitude event and had a wonder meal with some grateful speakers. This event was put on with \$136 that was donated from individuals from the area along with donations of food and supplies. We had our first bake sale at this event which made \$101.

This month I received a phone from the board of Terra Nova with a concern regarding the amount that was paid for the Monsterball venue. After speaking with said person I realized I was wrong in the fact that I did not go through the proper chancels in getting the correct amount owed to hold the Monsterball event at Terra Nova and agreed to pay TN another \$175 for a total of \$300 which is the same amount that was paid last year to put this even on.

Activities committee is in full swing for NYE and tickets will be on sale until Christmas which is when we must give the caterer a final head count. This month we have also decided to hold our Unity Day event on April 13<sup>th</sup> at Northwest Presbyterian Church which is the same location it was held at last year.

**Check Requests:** 

\$84.95 U-Haul Storage

\$30 meeting space

\$175 Terra Nova Monsterball Venue

\$1000 for NYE to be transferred into the bank account

# **Helpline**

Good Morning BASCNA,

The Helpline subcommittee met Sunday December 2nd at 9:00 am. We received 74 helpline calls between November 10th (11/10/2018) and December 9th (12/09/2018). That is down 12 calls from last month. We have all our shifts covered. However, we have individuals covering multiple shifts so we could use some help. Please let your homegroup know that this is a portable commitment (meaning you can be of service wherever you happen to be), and that we have the shortest subcommittee meeting in the area.

Our next subcommittee meeting will be held on Sunday, January 6 th at 9:00 a.m. at Terra Nova. Thank you for allowing us to be of service,

Hailey B. and Amber N. The Helpline Team
