Brook L and Ramon R and Dannette R. Michael let us know the taxes were still in progress. Sun biz was updated but still not reflecting. Erin S called region to get clarification on our non-profit status. She consulted with a corporate lawyer and is investigating getting us BOD insurance. She has gotten one quote for \$600 for a year which will cover all board members. It amounts to \$50 a month. Ramon reached out to 2 areas to get experience on how they do their taxes. We talked about continuity of having the same CPA do our business taxes who will know our business. We talked about starting a manual/ guidelines for each BOD position for the next person to follow.

H&I met this past Sunday December 2nd, and the subcommittee gained 10 new members.

The subcommittee has formed a adhoc for the upcoming H&I learning day, and we are also requesting that all artists please submit their ideas and drawings to hi@bascna.org for the next H&I Learning Day T-shirt. There is a flyer online that describes what is suggested a submission. More will be revealed on the time and day as we are working on not conflicting with other activities.

Literature Distributor

Good day ASC we are excited to have a stock of the new book "Guiding Principles, The Spirit of Our Traditions". A hand-numbered limited special edition will be available to purchase sometime in December. All orders must be placed through the RSO and are on a first come first serve bases.

The Literature Order Form has been updated to include the new book and space for any special order items. After today we will only accept literature orders on the form that is stamped Updated 2016-10-12 on the bottom left corner.

Due to rising costs and doing an audit we would like to inform you that several items will have a price increase effective the first of the year.

There are a couple of surveys that World is asking for our input on. The Daily Meditation Book Project (http://www.na.org/meditationbook) and the Mental Health / Mental Illness IP Project: (http://www.na.org/mhmi). Responses are due by June 1, 2017. The links to access these documents will be in my report and you can also go to www.na.org/projects for more information.

Effective next month (December ASC) we will no longer accept CASH for anything. This has been the policy for several years and we have been doing it the past few months for miscellaneous items and/or errors in the order form totals.

Thank you for allowing us to serve,

Jennifer S., Brittney G., and Sharon L.

Newsletter Report

BASCNA Inc.

We are working to help BASCNA make everything more consistent regarding the paperwork and status as a 501 C3 under the regional umbrella. We currently have different names registered with different entities, such as the IRS and the bank. Erin spoke with a member of the Florida Region who worked to establish the regions 501 C3 status. This member strongly suggested we meet with a corporate attorney to receive professional guidance regarding this matter. Erin is working to obtain quotes from 3 different attorneys. The regional member also strongly suggested that we entertain Board if Directors insurance to protect our area and the members who serve as board members. Erin received one quote for \$640 per year. We will consult with the corporate attorney about this as well when we meet with one.

Michael is working with a CPA to correct the prior years taxes and to complete the 2016 taxes. The CPA was given PoA in order to speak with the IRS on our behalf Erin sent a certified copy of the 2014 & 2015 taxes to region.

We are searching for a third board member and hope to find a wiling and experienced member soon.

Policy

Policy met on 12/11/16 at 9:30am. We discussed one motion, 2016.11.13.04, which states to add "as well as spiritual and financial ramifications" to the end of page 17 under 1B. Policy found that it was acceptable and we tabled it back to the ASC floor. Thank you for letting me be of service.

Elise W. Policy Chair

Public Relations

Public Relations meets the first Wednesday of the month, 7pm, at Terra Nova.

Last month we attended Ronnie's race which was a success. We received interest from facilities looking for presentations.

Saturday morning market was also a success.

The upcoming event for the month of January is Saturday morning market on 1/21/17.

Anthony D. has stepped down from the secretary position. Kyle V. was voted in for that position and is our new secretary.

At this month's subcommittee, we voted to purchase our own tradeshow display board. Previously there was one owned by the region that all the areas shared. This will give us the freedom to schedule events and presentations with no limitations to more effectively carry the message. In loving service, Brittany P.

Web Servant

Good Morning! We have had 77,879 hits this month and a total number of 10,867 visitors. Web sent a CSV file to NAWS to do a mass update to our meetings. A representative there gave us directions for the groups if they want to make more specific changes. These directions also have how an individual group can register their meeting with NAWS and get a unique identification number. Meetings will need to register with NAWS in order to vote

next year at the GSR assembly. Once a group gets that number, please give it to web and we can add it to our database. Please see below for the instructions from NAWS.

"Individual Group updates

NA groups can register and update their information at our website. Please visit www.na.org and from the green horizontal ribbon across the page, select "For Our Members" and then "Group/Reg Updates" Here is a direct link: http://www.na.org/?ID=updates

Listed on this page are Group Registration/Update Forms, available in several formats and languages. These forms can be completed online or downloaded, completed, and returned via mail. The Fellowship Services Team is also available if telephoning the information is the best option.

Alternatively, for one or a few meeting updates, go to the NA Meeting Search and see if we have the meeting(s) to update. Once located on the results page:

- Click the "Email Update" button in the "Notes" column
- On the next page, include as much information as necessary, such as whether a meeting is cancelled, or changed its time and /or location (please be as detailed as possible)

The direct link to the meeting search is: http://www.na.org/meetingsearch/

After a group is registered or updated, a confirmation email will be sent to the group contact on file, confirming that the registration/updates were completed and detailing how the information currently appears in our records. In the absence of a valid email for the group contact, we will send the information via postal mail. Please note confirmation emails and letters, and website updates may take five to ten business days."
