# Helpline

Good morning asc,

This month we had 114 calls. We have also changed the time of the subcommittee from 10 am to 9 am. All shifts are covered. We meet the first Sunday of every month here at terra nova at 9 am.

Thank you

The Helpline team

# Hospitals & Institutions

Hospitals and Institutions meets the first Sunday of every month at 9:30am. The last subcommittee meeting was held on March 5th, 2017 at 7550 40th St. N. (Terra Nova), which is not affiliated with Narcotics Anonymous.

H&I gained 6 new members and there were no concerns within the facilities in regards to the presentations going in. The subcommittee time has changed from 8:30am to 9:30am and the reason for this is to make it easier for people who rely on public transportation to get to the subcommittee.

The subcommittee adhoc for the upcoming Learning Day is continuing to meet and we are excited for the upcoming H&I Learning Day which will be held on April 1, 2017 at Terra Nova which is not affiliated with N.A. The Learning Day is a free event and there will be food, speakers, fun, and the second annual H&I T-shirt designed by Katie M. will also be available for purchase. We are very excited for this Learning Day and we hope to see everyone out there.

Thank you for allowing me to serve.

Erin S.

**H&I** Chair

### Literature Distributor

Good morning! Thank you for using the correct Literature Order Form. Please be sure to fill out your order forms completely including the name of the GSR or person who is picking up your order and double check the math. It makes it easier and faster for us to fill your orders.

We can order any item for you from the RSO. You can go to <a href="www.floridarso.org">www.floridarso.org</a> or the lit distributor room for a list of items that we can order. On the 2<sup>nd</sup> page of our order form there is a place for you to write down your special-order items. Payment for the item(s) is due at time of pickup. Some of the items that may interest you are the 7<sup>th</sup> Tradition Box which is \$3.00, JFT Journal is \$15.00, and Medallion Holder Keychain is \$8.56.

Thank you for allowing us to serve, Jennifer S., Brittney G., and Sharon L.

# **Policy**

Policy met on 3/12 at 9am at Terra Nova. We discussed 3 motions that were tabled to Policy in February.

<u>Motion #1: 2017.01.08.04</u> - the subcommittee found that it violated the areas financial responsibility and went against the fail safes already implemented in policy. It was sent to the area floor.

Motion #2: 2017.02.12.02 - no violations of our traditions and/or concepts were found. It was sent to the area floor.

Motion #3: 2017.02.12.01 - no violations of our traditions and/or concepts were found. It was sent to the area floor.

In loving service, Elise W.

#### **Public Relations**

Public Relations meets the first Wednesday of the month at 7pm located at Terra Nova which is not affiliated with Narcotics Anonymous. We discussed and voted on the new Public Relation T-shirts, that we can wear while we attend events to look more unified and professional. The T-Shirts will be on sale at Unity Day for \$15. We were also in attendance at Saturday morning market on 2/25, the event was a success. However, We have been running into issues with members of public relations not showing up for subcommittee and or for events they have committed to. This lack of commitment has resulted in the direct effect of Bay Are Public relations relationships with other entity's, including Saturday morning market. At last month subcommittee meeting, we decided on not partaking in anymore Saturday morning markets, and scheduling any new events with any outside entity's until we receive more consistent support from the subcommittee. We are still however, placing meeting list in libraries and working on planning another poster hanging drive and literature and lunch event to get people involved and draw new members to the subcommittee.

In Loving Service, Brittany P

### Web Servant

We have had 5,631 hits for the month of February with an average of 201 hits per day.

For the archivist-to-web project we have done some extension research and have realized there are some things that need to be addressed.

There is sensitive information that cannot be posted on the web. We have identified some possible solutions.

- 1. We don't post anything
- 2. Post only the meeting lists from the project
- 3. Undergo an extensive and expensive redaction process
  - I would recommend we have an attorney look over our documents to make sure we redact everything that needs to be redacted.
  - We would request a specialized ad hoc to help us complete the project
  - We would need to purchase software to help us with this project.
