Service Motivation

Everything that occurs in the course of NA service must be motivated by the desire to more successfully carry the message of recovery to the addict who still suffers. It was for this reason that we began this work. We must always remember that as individual members, groups, and service committees, we are not and should never be in competition with each other. We work separately and together to help the newcomer and for our common good. We have learned, painfully, that internal strife cripples our fellowship; it prevents us from providing the services necessary for growth. DEFINITION OF AN ASC

The Area Service Committee (ASC) is a committee made up of representatives from within the designated area, which meets monthly for the express purpose of serving the specific needs of its members' groups.

The most important service, which an ASC provides, is that of its groups' support. Whenever a group has a specific situation, which it has not been able to handle on its own; it can come to ASC for help. These situations are almost always limitless in scope, however, we have learned that we can get much accomplished when we work together.

An ASC performs other functions, which are of help to the groups. It can help groups get started or give aid to floundering groups. It may hold workshops or seminars to train trusted servants. It can look for potential places to keep a stock of literature, which the groups can purchase. The point is that an ASC handles whatever functions are necessary or helpful to its groups.

In order to provide these services, an ASC needs the active participation of its GSRs. A group supports its ASC both financially and emotionally. It takes money to provide these services. It is a group's responsibility to offer this support. However, as an area grows, the financial needs of the committee also grow. In order to provide a full line of service, an ASC requires a steady, reliable flow of money. Some areas provide these funds through activities. These alternate courses of financial support are helpful, but the bulk of the responsibility falls on the members of the groups.

The active participation of each group representative is essential for a successful ASC. Each GSR must keep their own group informed and must represent that group's conscience in all committee decisions. GSRs should evaluate each vote in terms of the needs of those they serve and the needs of NA as a whole or the area they serve. In addition to this, a GSR participates in helping to carry out the ASC's specific functions (but not limited to): the attracting of new members, planning and implementation of activities, and the aid given to groups with specific situations and services which require much more effort than a monthly meeting.

In order to coordinate its services, each ASC elects officers yearly. Leadership and the ability to organize give the committee direction; and incentive must come from its officers. Upon election the officers (Chairperson, Vice-Chairperson, Secretary, Alternate Secretary, Treasurer, RCM's, Literature distributor, Alternate Literature distributor, Subcommittee Chairpersons) shall resign as GSRs. Their groups then elect new representatives, thus ensuring all groups equality of representatives.

All GSRs and Subcommittee Chairpersons are members of the policy Subcommittee and are encouraged to attend policy Subcommittee meetings.

DECORUM STATEMENT

BASCNA meetings will be conducted according to these rules of order adapted from Robert's Rules of Order. This time honored system for conducting business is the clearest way yet devised for getting the maximum amount of business done in the minimum amount of time, regardless of the degree of disagreement among the participants. These rules are meant to be used as tools to help us make orderly, collective decisions in a cooperative, respectful way in the spirit of our 12 concepts; please do not use them as weapons against one another. We encourage all participants to become familiar with these rules of order and conduct themselves accordingly. Once the meeting is under way, only one matter will be before the committee at any one time and no other discussion is in order, please respect the chairperson's right to conduct the proceedings so that you can have maximum benefit of its content.

THE TWELVE TRADITIONS OF NARCOTICS ANONYMOUS

- 1) Our common welfare should come first; personal recovery depends on NA unity.
- 2) For our group purpose there is but one ultimate authority- a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3) The only requirement for membership is a desire to stop using.
- 4) Each group should be autonomous except in matters affecting other groups or N.A. as a whole.
- 5) Each group has but one primary purpose - to carry the message to the addict who still suffers.
- 6) An N.A. group ought never endorse, finance, or lend the N.A. name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
- 7) Every N.A. group ought to be fully self-supporting, declining outside contributions.
- 8) Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
- 9) N.A., as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
- 10) Narcotics Anonymous has no opinion on outside issues; hence the N.A. name ought never be drawn into public controversy.
- 11) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and film.
- 12) Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

THE TWELVE CONCEPTS OF NA SERVICE

- 1) To fulfill our fellowship's primary purpose, the N.A. groups have joined to create a structure, which develops, coordinates, and maintains services on behalf of N.A. as a whole.
- 2) The final responsibility and authority for N.A. service rest with the N.A. groups.
- 3) The N.A. groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
- 4) Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
- 5) For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
- 6) Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
- 7) All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making process
- 8) Our service structure depends on the integrity and effectiveness of our communications.
- 9) All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making process.
- 10) Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
- 11) N.A. funds are to be used to further our primary purpose, and must be managed responsibly.
- 12) In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.
