RCM I & RCM II Report

I will attach the budget to my reports (*attachment 1.1*). But the only only big concern at the moment is trying to figure out what to do with the money set aside for the service symposium before we can vote on the budget. We also just went through acclamations and nominations for regional service positions.

Fliers for anniversary have been passed out. We will be voting on a female and male speaker. We also have found a DJ for the dance, since many people have been asking for us to bring back the old school activities dances.

Helpline

Bay Area Helpline Needs Your Support

The Bay Area Helpline is an important part of carrying the message. Many newcomers call the Helpline first when they are looking for help, meetings, or support.

Right now, we are struggling to keep the Helpline running smoothly because only a small number of trusted servants are consistently attending the Helpline Subcommittee meetings and helping with the work.

We need more support from the Bay Area ASC and from groups that care about reaching the addict who still suffers.

What We Need Going Forward:

- More members attending monthly Helpline meetings
- Active participation from board and committee members
- Volunteers willing to help answer calls and assist with projects
- Better communication between ASC and the Helpline Committee
- Group support and encouragement for trusted servants

When only 2 members show up consistently, it becomes very difficult to complete projects, improve services, and keep the Helpline strong.

The Helpline belongs to all of us. Together, we can continue helping addicts find recovery when they need it most.

Please consider attending the next Helpline Subcommittee meeting and becoming part of the solution.

Thank You for Allowing me to be of Service. Donald S & Robert R

Hospitals & Institutions

This month H&I welcomed 4 new members and there have been no reported issues at any of our facilities.

Our next subcommittee meeting has been rescheduled for June 28th.

We have established an ad hoc committee to develop guidelines for 12-step calls within hospitals seeking support.

Catchers Mitt Monday has been suspended due to the inability to staff the meeting.

As always we would like to welcome anyone who hasn't had the opportunity to share the NA message of hope with the

clients at these facilities or if you've already done so and it has been a while, we'd love for you to join us in continuing our purpose. Your unique message could make a significant difference in the lives of the still sick and suffering addict at one of our many facilities.
