Hospitals & Institutions

This month H&I welcomed six new members and there are no reported issues at any of our facilities.

We would like to welcome anyone who hasn't had the opportunity to share the NA message of hope with the clients at these facilities or if you've already done so and it has been a while, we'd love for you to join us in continuing our purpose. Your unique message could make a significant difference in the lives of the still sick and suffering addict at one of our many facilities.

Over the past month, I have spent time researching options for a more efficient and reliable accounting software for BASCNA. After consulting with other accounting professionals as well as BASCNA's tax accountant and a few members of this admin team, we determined that transitioning to QuickBooks will best support our financial management needs moving forward.

I also identified a nonprofit discount available through a company called TechSoup, which provides us with access to QuickBooks Plus at a significantly reduced cost of [REDACTED] per year. This expense will be deducted from the Treasurer's annual budget so no extra money from the area is being requested.

This upgrade will streamline our bookkeeping processes, improve accuracy, add safeguards that ensure accountability, and support clearer financial reporting for the Fellowship.

In regard to the budget file, I realized that H&I printing was not being taken out of the Lit budget. I have fixed it in Quicken and on the budget form. Terra Nova deposited Sep and Oct rent at the same time which is why there are also changes to Sep budget totals for Activities Admin and PR

I and 3 other BOD members did an audit of last year's books as per policy. Quicken was off by [REDACTED] per the

BASCNA bank statement which came from paypal fees not taken out. This has been rectified and all 4 accounts balance to the penny.

*If you are not donating at ASC, PLEASE send donations via PAYPAL (WITH GROUP NAME), not via snail mail. Please feel free to contact us if you have any questions,
