Activities

Gratitude: Passed basket at area. If anyone wants to partake in Volleyball, please bring it up to your homegroups and see Joe P.
Activities received a total of [redacted] for Gratitude Day Turkeys. This donation from the GSRs will go towards the purchase of turkeys for Mike to cook.

Issues with t-shirts from Anniversary: Per Pinellas park police there is nothing they can do since she lives out of state and more than likely if will need to go through the courts as breach of contract verses legal repercussions

NYE: Recovery Coast and Bay Area are working together to throw on a NYE collaboration bash. Location is at Holiday Lake Estates. Did a straw pull at area for the GSR's to see who would be willing to travel.

Joe P took over Activities treasurer on Oct 7, 2026. As of 10/12/26 here is a reconciliation of all monies managed by activities.

Hospitals & Institutions

This month H&I welcomed 4 new members. One incident was reported at Safe Harbor with a verbal altercation between a member and a client. The H&I member has been removed from any H&I commitment for 6 months.

As always we would like to welcome anyone who hasn't had the opportunity to share the NA message of hope with the clients at these facilities or if you've already done so and it has been a while, we'd love for you to join us in continuing our purpose. Your unique message could make a significant difference in the lives of the still sick and suffering addict at one of our many facilities.

Policy

Printed new Policy for handing out. Verified that all approved motions over this past year were added to Policy. Matt and I met and reviewed these edits. Chris B was shown the changes and with approval moved forward with printing. Cost was [redacted]/packet @ Office Depot. 60 copies to GSRs first, then admin members, then Alt GSRs, last remaing will go to literature room for sale (on the order sheet). Updated copy on web will be "October 2026". Matt H has some good ideas for updates but would have to be presented as motions, or form a workgroup. More will be revealed. I appreciate technical help from Michael V!
In service,
