RCM I & RCM II Report

All is well. We did do our Bay Area in service day on Aug 29th. In which we are really hoping we have more attendance next year. I asked if there was anything from the area they would like for us to take to RSC and I received the following questions: To have a 10th concept discussion, how much was spent on room nights last year and how does that further our primary purpose, and a member sent an email to the treasure team about the last 10 year budget and there was no respond.

We held our elections for admin positions, and we're excited to welcome our new admin members!

The final meeting for one of our faculties, Catchers Mitt, will be held on October 3rd.

As always we would like to welcome anyone who hasn't had the opportunity to share the NA message of hope with the clients at these facilities or if you've already done so and it has been a while, we'd love for you to join us in continuing

our purpose. Your unique message could make a significant difference in the lives of the still sick and suffering addict at one of our many facilities.
