| We as a group are being forced, at the last minute, to acquire liability insurance because of our fire. This has not been an issue since the meeting started 5+ years ago. Due to this added expense, we are at a crossroads of dissolving this meeting or finding a location that doesn't | | | | | |

require insurance. I was told by a board member that they didn't care if this meeting stayed at the clubhouse unfortunately. More revealed soon hopefully.

Activities

All is well. Our New Year's Eve event is approaching and we still have tickets for sale but they are going fast. We have spoke to the church about where monster Ball was at and at this moment they have informed us not to worry about the tape they have bigger concerns on their plate than that. We would love to have some new faces remember there is no clean time requirements.
