FRCNA Report

All is Well.

Administrative

We have been busy this month. My self, the vice chair, the treasurer, alt treasurer, and the previous treasurer sat down and did an audit on the bank accounts and QB. Everything looks good and matches. There will be a report from the treasurer with the breakdown of everything.

We are in the process of getting all of the bank accounts set up properly. Currently the checking is completed with the exception of adding one person. My hope is to have the rest done in the next couple of weeks.

I know there have been concerns about some of the motions and the ball being dropped on a few of them. The vice chair is working on a spreadsheet to keep track of all the movements of every motion so they are easy to follow and hopefully we won't have that issue moving forward.
