Please see above.

Administrative

All admin members were in attendance except PR, all reports will be given on the floor.

Vice Chair of helpline, Chair of PR and myself attended The Dunedin Group and poke with the GSR in regards to the incident that had taken place at their group. We were informed that the church was unaware of the altercation, however we suggested the Group inform the Church so that is would not be revealed second hand and that we continue to stay aligned with the principles of the fellowship. I had also spoken to the members involved to which all parties had taken responsibility and would make their proper amends with the guidance of a H.P. and their sponsor. No further action of this body would be necessary.

We are reminding all GSR's, admin members and members at large that ASC will be meeting the first Sunday in May due to Mother's Day. We will be following H&I.

Michael: is anyone turning in CAR Motion? Please tear off carefully and be sure to write your group's name and area name.
