Due to Area being moved up a week because of Mothers Day in May, Helpline subcommittee meeting will be the last Sunday of this month, April 26th at 10am. All shifts are currently being covered. We could always use additional support. If you would like to join Helpline or just learn more about it, please let me know, or

just come to the next Helpline subcommittee meeting the last Sunday of this month at 10am here at The Place. I am putting in a request to have the Treasurer write a check in the amount of \$10.00 to The Place for our monthly subcommittee meeting.

Policy

This morning we had about 30 groups and 10 admin members in attendance for the policy sub-committee. We had no motions to discuss however there were some questions as to when the new policy packet will be distributed. I state that the most current copy of the policy is on the web and that I am still working on the printed version. Due to lack of time management and lack of experience on my part, this process has taken longer than I had anticipated. I am open-minded and willing to take any suggestions and guidance from any members that are available willing and able to help. In other news, the sub-committee elected Kathleen M. as our policy vice chair, and I will be submitting a sub-committee budget form this month for the amount of 400.00, which is no change from last year.
