Hello Members at Large

We discuss much and I believe it's my job to share with you our struggles and our achievement's. Our secretary team is doing their best to get you guy's minutes in a good time and get it right. Our activity's is moving forward and thinking about a speaker jam for this year's leap of Faith. Help line is doing good could always use some help. Archivist is waiting to see what happens with the Motion on the floor to see in what direction he will be going. There was also talk about the position being terminated after the work is done. There will be a new Public Relations Chair soon as our member hit a bump in the road and we will pray for him. H&I is having a struggle with members not wanting to follow guide lines and are going in on their own instead as a

unacceptable chants/ responses in team. And we were informed that a member was asked to leave the Jail as that person was overly medicated. Webmaster is doing well. Our literature team is doing well. In loving service
