Secretary's Report

Hello ASC, just a quick note that we really appreciated everyone's feedback with the use of the iPad going around. It has helped us update our master list and we are going to continue trying to update the master list again at the next ASC. Allen C. will be bringing in a computer and set it up in the front of the room. As the ASC is progressing we will be making live changes to the master list to hopefully get the rest of the hiccups corrected. If Allen C. has any questions he will be calling you up by group name, so please be listening. As always we will be trying to make sure that everyone is getting what they need from our team and hope that we will finally get it all taken care of to the ASC's satisfaction. We look forward to next ASC and working the last of the kinks out. Remember guys we need to get all reports in as fast as we can so that we can get the ASC minutes out on time if not earlier. If you choose to do them on the BASCNA site, we will be checking it on a regular basis and putting them in the minutes as soon as we get them. We are striving to get the minutes out to you all within the first week after ASC. Please make sure you are printing legibly so that we can get the correct wording in the minutes as we do type exactly what you put in and exactly as you put it. ILS, Allen R. and Allen C. - AreaSecretary@bascna.org

We encourage you to familiarize yourself with all of the content. Also, along with the *CAR*, we released a packet of material related to the role of zones and the future of the World Service Conference. That material is all available online as well at www.na.org/future.

#12	Maker: Western Russia Region	Yes	No	Abs
	That Narcotics Anonymous World Services add the following "What is NA Service" card as part of the Group Readings offered by the World Service Office.			
	What is NA Service?			
	This is a very important integrant of our recovery, this is how our gratitude speaks, yet this is a way to carry the message of recovery to those addicts who still suffer. We usually begin being of service in NA making coffee/tea or cleaning our rooms after meetings. As we get some experience serving at the group level, many of us try ourselves out at a different point of service structure, for instance, - area or region.			
	Being of service in NA is for any of us. True service can be expressed by simple words quoted from the Basic Text: {True service is "doing the right things for the right reasons"}.			
	Being of service at a group level helps to strengthen the very foundation of our recovery because it could probably be the first time when we something for others without seeking to profit, expecting nothing in return. Serving at a group is another motive that helps us to attend meetings regularly. And our experience tells us that those who keep coming back regularly stay clean.			
	Being of serJice in NA is our gratitude to the Fellowship of Narcotics Anonymous for a new clean life. Many of us always wanted to be "a part of something". Service in NA indeed gives us a chance to become a part of a fellowship that saves our lives and helps addicts all over the world to stay clean and follow the way of recovery.			
#13	Makers: South Florida, Michigan, and Mid-Atlantic Regions	Yes	No	Abs
	Each World Board member votes only in Elections and may make motions in all sessions. The World Board has one collective vote (made by the Chairperson of the World Board) in new business sessions.			
#14	Maker: Mid Atlantic Region	Yes	No	Abs
	That the World Board or members of the World Board no longer make motions or proposals for decision at the WSC. The World Board may still forward ideas or work that regional delegates may present as a motion or proposal to the WSC for a decision.

Helpline

The Helpline subcommittee met on January 3rd. all is well and all shifts are covered, I recently spoke with Tom Keller who apparently we rent our benches from, I was informed that to remove the phone number or change the art work on the benches it would be \$50.00 per bench, we currently have 10 benches for a total of \$500.00 in addition he would throw in two benches for free making it 12 benches total. I went to the PR Subcommittee meeting to ask what it was they wanted to do as I was informed it's in their budget not help lines.

Now this month so far we have had 142 calls on the system. Thank You for allowing me to be of Service. Any Questions or Concerns?

Hospitals & Institutions

H&I Sub-committee meets the first Sunday of every month at 5540 Park Blvd. (The Place), which is not affiliated w/Narcotics Anonymous, At 8:30 am. The requirements for going into a facility are: 90 days of abstinence from all substances. Sub-committee met December 6th. We discussed the outcomes of the ad hoc that was held in regards to the jails being compliant w/ H&I sub-committee guidelines. Chairperson has been in touch with Windmoor, & should be re-opening a meeting that was shut down due to inappropriate remarks, which offended staff. There have been some problems with elected person not being willing to follow guidelines that protect the fellowship. H&I chair and Area Chair will seek ESH from others members and address the issues.

Public Relations

P.R met the first Wed. of the month at Terra Nova. We discussed the re-designing of the Public bus benches with the new helpline number. We looked into who to go with the Provider Printing Services. The two options we looked at were, The Company whom owns the benches and our own Justin R. Family own Company. For the benches Justin quoted us \$425.00. Tom, who is with the Company that owns the benches quoted us \$500.00. With that includes 2 additional benches at no cost and continued maintenance on the benches. Andrea B. has also volunteered to re-design new benches and we will have some samples to show ASC next month.

We are also in touch with Sat. Morning market to have a booth for this upcoming cycle.

And we are working on sitting Getting meeting orca t have a booth for this upcoming cycle.

And we are working on getting meeting list into our local libraries.
