Helpline

Message Body: Good morning ASC,

I need to bring this to the body, after several tries to get the subcommittee to attend the monthly Meeting and get involved with no avail, I have spoke to my sponsor and several other members I trust and respect about this issue, I am officially resigning as Helpline Chair, It hurts my heart and my spirit that attending a 30 min subcommittee meeting is to difficult for even members with substantial Clean time to commit. I came on to help the former Chair out because I was asked, the same day I said yes and got voted in, that chair announced that she no longer wanted to be involved with help line and asked to be removed from all shifts. I have been passionate about Helpline for many years since we had pagers and to carry on in this capacity is only causing hurt and resentment therefor, I must resign effective immediately.

Thank you for allowing be to be of service

Donald Sweet

Helpline Chair.

Hospitals & Institutions

This month H&I welcomed 9 new members and there have been no reported issues at any of our facilities.

As always we would like to welcome anyone who hasn't had the opportunity to share the NA message of hope with the clients at these facilities or if you've already done so and it has been a while, we'd love for you to join us in continuing our purpose. Your unique message could make a significant difference in the lives of the still sick and suffering addict at one of our many facilities.
