We held our regular business meeting on 4/10/24. We discussed a lack of trusted servants in the group. We lost our GSR and Alt GSR. We discussed the declining attendance affecting our 7th tradition and that we've been dipping into our prudent reserve to pay our rent. We mentioned making a motion to resolve any policy issues, but i need a copy of our policy to make a valid motion. Our annual Christmas party is on schedule. More will be revealed. ### **Treasurer's Report**

### **Web Admin**

The website went down for a few hours in the later afternoon - early evening of April 2, 2024.

The website was restored to full working order around 7pm - ish.

The root cause of the issue stemmed from a plugin error triggered by the automatic update of the WordPress core. This error resulted in a fatal disruption, leading to the site's downtime.

This is the second time in 5 months we have experienced downtime due to a fatal error triggered by WordPress's automatic update feature.

Subsequently, the auto-update feature has been disabled, allowing the web team full control over maintenance windows.

Other than that, all is well.
