Helpline

Good Morning BASCNA,

The Helpline subcommittee met Sunday March 3rd at 9:00 am. We received 105 helpline calls between February 10th (02/10/2019) and March 9th (03/09/2019). That is up by 15 calls from last month. Our call volume has been rising steadily for the last few months. We have all our shifts covered. However, we have individuals covering multiple shifts so we could use some help. Please let your homegroup know that this is a portable commitment (meaning you can be of service wherever you happen to be), and that we have the shortest subcommittee meeting in the area.

Our next subcommittee meeting will be held on Sunday, April 7 th at 9:00 a.m. at Terra Nova.

Thank you for allowing us to be of service,

Hailey B. and Amber N.

Web Servant

MARCH Web Servant Report (2019) Hello!

Web servant here.

We experienced an issue this month with our hosting provider which caused our interactive meeting list to not function properly. The alt-web servant contacting our hosting provider and opened a help ticket to get the issue resolved. As a workaround to temporarily fix the issue, we cloned our website and hosted it on another server so that those people searching for a meeting could easily find one. We were informed this morning that the issue should be resolved. Later tonight we will work to migrate the website back over to our hosting provider. We will keep the Area admin body updated as new information becomes available.

Other than that all is well.

In loving service, Justin R and Frank D. Web servant(s)
